

PRESS RELEASE

Date: April 2nd, 2009.

Leading Irish jazz drummer Kevin Brady releases new album entitled 'Zeitgeist' featuring U.S. pianist Bill Carrothers on May 16th with the prestigious jazz label 'Fresh Sounds New Talent'.

Irish jazz drummer Kevin Brady continues his collaboration with the innovative U.S. pianist/composer Bill Carrothers. Brady has many years of experience playing with some of Ireland's most prominent jazz trios including Organics and the Phil Ware Trio.

'Brady has been one of the most dynamic forces in the Irish jazz scene today'
Sunday Tribune.

Bill Carrothers is quite exceptional in this setting, having recorded with many Internationally acclaimed groups. Recording with luminaries such as Gary Peacock, Bill Stewart, Drew Gress, Marc Copland..

"Carrothers' a relentlessly inventive pianist with harmonic sophistication has to be heard to be believed." Chicago Tribune.

This is a rare opportunity for audiences to listen to some fine exponents of the jazz piano trio as some of Ireland's leading talents meet one of the USA's great modern jazz musicians. The music performed by the trio features original compositions from their latest album release entitled 'Zeitgeist' which will go on Worldwide release with the prestigious jazz label Fresh Sound Records. The Kevin Brady Trio begin their promotional Tour in May 2009. See Tour Details Attached below.
